Dear Sir,

On behalf of the Board, staff and children who will benefit from your gift, I would like to thank you for your generous donation of \$4800.00 to the ongoing programs of The Jacksonville Children's Chorus. This organization works hard to serve the needs of our area's talented children, and your donation will help us continue to bring this program to First Coast children who were "born to sing."

The true value of a child-serving organization is the benefit it brings to the children it serves. Participation in The Chorus brings lasting rewards to the children who sing and the community which supports them. Through membership, children from different backgrounds share experiences with each other, develop leadership skills and learn to work together as a team. The arts often reach students who are not otherwise being reached. Correlation between the study of music and educational success is well documented.

Our choirs are becoming well-known in Northeast Florida because of the excellence of our performances. Children are amazing, and there is no boundary to the goals they can achieve when they have the opportunity. Thank you for helping us provide that opportunity through your financial gift. We hope to see you in our audience, and we are glad to count you among those special friends who believe in the power of singing children.

Sincerely,

Darren Dailey
Artistic and Executive Director
